

PONDWATER

PROCUREMENT GROUP LLC

Different Requirements. A Smarter Way.

CAPABILITY STATEMENT

Sourcing • Procurement • Fulfillment • Supplier Coordination

COMPANY OVERVIEW

Pondwater Procurement Group (PPG) is a New Mexico-based sourcing, procurement, and fulfillment company supporting public-sector and commercial buyers nationwide. We coordinate qualified suppliers, pricing, order details, and delivery so clearly defined requirements move from request to fulfillment with reliable communication and documentation.

CORE CAPABILITIES

- Strategic sourcing and supplier identification
- Product and deliverable procurement
- Quote development and pricing coordination
- Vendor and supplier coordination
- Direct-ship and fulfillment coordination
- Order tracking, documentation, and acceptance support

PRODUCT CATEGORIES

- Printing, signage, labels, and forms
- Promotional products and branded merchandise
- PPE and safety supplies
- Uniforms and apparel
- Office and facility supplies
- Selected equipment and commercial goods

WHY PPG

- Requirements-focused review of specifications and deliverables
- Supplier-backed pricing and availability validation
- Responsive quote and sourcing coordination
- Clear communication from request through delivery
- Flexible sourcing across public and commercial markets
- Direct-to-customer fulfillment where practical
